

3RD ANNUAL LEGENDS NEVER DIE

JOE FALCONE

SandLot Softball Game

**SATURDAY OCTOBER 10, 2020
YORKTOWN, NY**

Family and friends will gather on October 10, 2020 in Yorktown Heights, NY to honor their legend, Joe Falcone, at the Third Annual "Legends Never Die Sandlot Softball Game."

Joe's brother Doug, along with his cousin Mike will captain teams, as they have historically. They will reminisce about Joe and discuss his battle with ARDS, along with a discussion about ARDS and the importance of raising awareness about this condition, especially the relation to the current pandemic.

Precautions that range beyond the scope of the current COVID guidelines in New York will be in place to ensure a safe and enjoyable environment for all players and spectators. ARDS Global has generously donated branded masks for use during the game for all participants and guests.

Family and friends remain excited to continue this memorial event this year, and for many years to come. As usual, a donation will be made to this wonderful organization (ardsglobal.org) resulting from various fund-raising items along with a raffle for prizes donated by local vendors.

The family along with the players motto remains "Play Ball to Strike Out ARDS!"
